

signagelive® Digital Posters

signagelive® Digital Posters all-in-one digital signage

Our line of retail-ready Digital Posters combines the latest, LCD screen technology and signagelive® player to create an all-in-one digital media solution capable of remote content updates over any Internet connection. Combining software, hardware and LCD screen into a single device, the signagelive Digital Poster offers unrivalled digital image quality, ease of installation, and retail durability.

Straight from the box, just install where required using a standard VESA 200 bracket and turn on the power. They are available in 32", 40", 40" (slim bezel), 46", 46" (slim bezel), 57", 65" & 70" sizes for portrait or landscape operation. The standard finish is Black, but there is an option for custom colors.
